Subject: Democratic Caucus request from Lily & Becky

Jim:

Becky and I have been asked by Dennis to organize a small pilot project to see if we can develop a new database of NEA activists who are also activists in outside community organizations back home. There's no better place to start than our RA caucuses!

There are many times that issues affecting our members, their families and their students are of interest to community organizations who are working on the health, safety, education, human and civil rights of the larger community. We'd love to be able to alert NEA members and leaders about issues they might be able to bring to the attention to other community organizations in which they are active.

Please look over the attached form. We've made it as simple as possible. We're hoping to build a database to network with members who are community activists and who would be willing to receive information and give us feedback or possibly share information with others back home. If you're comfortable sharing this opportunity with your Caucus members, please forward this message the attachment to them or you can print it off and just pass it out.

If you have any questions at all, please contact me (Leskelsen@nea.org) or Becky (RPringle@nea.org). If anyone has a hard-copy form they'd like to turn in, you can just pass it up to Becky or me at the RA stage.

Thanks for considering our request. Have a great RA!

Lily

NEA Member Community Leader registration

The purpose of this contact form is to identify NEA members who are members and leaders of state and local community groups (civil rights, advocacy, parent, fraternal, political, environmental, disabled, etc.) so that they may receive communications and calls for action from NEA that may be related to their community work.
